## Executive Vice President, Treasurer and Chief Investment Officer

Howard Haug joined Space Florida in 2008 and currently serves as Executive Vice President, Treasurer and Chief Investment Officer for the organization. In this role, he is responsible for the oversight of Space Florida's assets and investments. Prior to this position, Howard served as Space Florida's Senior Vice President and Chief Financial Officer.

Haug has proven financial management, reporting and controls management expertise, and has been successful in the design of competitively profitable business models. He is also skilled at selling business plans and maintaining investor and employee support. He is recognized for combining financial, strategic planning and operational experience with executive leadership and is experienced in mergers and acquisitions, divestitures, public placements, SEC reporting, and growth initiatives.

From 2003 to 2007 Haug was Senior Vice President, Administration, and CFO for Enterprise Florida, a public-private partnership responsible for leading Florida's statewide economic development efforts.

Prior to his position with Enterprise Florida, Howard worked for Bellsouth Corporation (now AT&T) from 1989 to 2002. At Bellsouth he held a number of financial and operational leadership roles in wireless and video operations. He spent his last two years as the financial expert for the company's overall strategic planning efforts.

In addition to his extensive experience with the above named entities, Howard held key positions with leading international professional services firms Coopers and Lybrand (now PricewaterhouseCoopers) and Ernst & Young.

Howard holds a Master of Science, Accountancy and a Bachelor of Science, Business Administration, from the University of Central Florida; and a Bachelor of Science, Economics, from Villanova University. He is also a Certified Public Accountant.
