

Indian River Bridge & Space Commerce Way Project Map

-  National Highway System (NHS)
-  National Primary Highway Freight System (PHFS)
-  Indian River Bridge & Space Commerce Way Connector Project
-  Cape Canaveral Spaceport Connection to PHFS
-  Rail

Figure 1: Highway/Bridge Project within Cape Canaveral Spaceport's intermodal facility depicts space-related freight and manufacturing workforce route that also serves as both a routine and emergency public transportation route through the Spaceport. Map illustrates the Project's existing integration into the National Highway System, and its connection to the National Highway Freight Network (NHFN) at Interstate 95.
