Spaceport Improvement Program Funds Requested: \_\_\_\_\_

Type of planning project (*Environmental, Design, Master Plan, etc*): \_\_\_\_\_

**1.4 AEROSPACE PARTNERS**

- a. Coordination with Space Florida and our aerospace partners is vital to all spaceport projects. Please check a box to indicate that coordination efforts have been started with any applicable aerospace partners:

Space Florida

NASA

Space Force

Cecil Spaceport

Space Coast Regional Air & Spaceport

Other: \_\_\_\_\_

- b. List any commercial aerospace partners that are or would be involved as a part of this planning project:

## Part 2 – Benefit Summary

- a. What is the outcome from this planning project? *Will this lead to any spaceport improvement infrastructure opportunities?*

- b. What is the benefit of this project to the spaceport and/or it's users? *Identify in what ways this project is common use, if any. Identify any new commercial capabilities created by this project, including how the project contributes to expanding spaceport capability and capacity.*

- c. What is the quantitative benefit of this project to the State of Florida? *Identify if the project helps contribute to creating a more sustainable spaceport system by generating revenue for reinvestment into spaceport infrastructure. Describe the direct and indirect economic benefits of the project.*

## Part 3 – Project Description & Scope (Attachments)

**3.1 SCOPE OF WORK:** Provide a scope of work for the project that encompasses all phases of the planning project including a project overview with location identified, scope of work, tasks and deliverables.

**3.2 BUDGET SUMMARY:** Outline the project budget.

**3.3 DETAILED SCHEDULE:** Provide a detailed schedule including start and end dates, milestones and when deliverables will be made available.

*Verify with a check mark that the following are included on separate pages in this application package:*

*3.1 Scope of Work*

*3.2 Budget Summary*

*3.3 Detailed Schedule*
